

Great Sky Sesshin

August 9-16 2008

This annual Soto Zen style sesshin draws together teachers and practitioners for seven days of deepening understanding of the dharma under the extraordinary big sky of Hokyoji.

Join us at Hokyoji Zen Practice Community, a beautiful rural setting of meadow, forest and rolling hills in southern Minnesota just west of the Mississippi River. We'll follow a daily schedule of zazen, dharma talks, services, dokusan, meals with oryoki, tea breaks and work.
