Automatic transfer makes your gift effortless!

Providing your donation electronically makes it fast, safe and easy to add your support to the Retired Leaders Fund. Simply authorize a specified amount of money to be electronically transferred directly from your checking or savings account each month. While checks can be lost, stolen or damaged, electronic transfer is safe and secure--and the transfer is at no cost to you.

Your bank statements will provide you with a record of your transfer, and you can contact Hokyoji if you would like additional proof of your donation. You may change or cancel your transfer authorization at any time by notifying Hokyoji in writing.

Yes, please automatically transfer my gift to the Retired Leaders Fund from my bank each month. I've attached a completed authorization form.

No thanks, I'm not interested in automatic transfer at this time. I'll be making my donation via:

- one-time check
- monthly check
- one-time cash donation
- monthly cash donation
- invoice; please bill me once
- invoice; please bill me monthly
- Paypal from the Hokyoji website
